Information about your family:

Do you have any children, any previous experience with international adoptions, domestic adoption / foster care, etc?

Information about a child / children you are planning to adopt (age, sex, special needs, etc) or any issues you want to discuss with us:

IMPORTANT NOTICE AND DISCLAIMER:

You acknowledge that you are asking Universal Pediatrics Associates, PC "UPA" to review medical records and other information provided by you. The medical records and other information are for a third party individual and may have been prepared by a professional outside of the United States, who may or may not be qualified to prepare such records. UPA will review the medical records and other information including pictures and videos provided by you and will prepare a report. It is important to note that such a Report will be based solely on the medical records and other information provided by you. UPA will not be evaluating the third party individual in person. The medical records cannot be independently verified by UPA and may be incorrect and/or incomplete. Such a report and its content will be for your informational purposes only and not to establish a diagnosis. Such a Report is solely for your benefit and may not be relied upon by any other person or entity for any purpose without UPA's prior written consent. The Report is not intended to be a substitute for professional medical advice, diagnosis or treatment. Reliance on any information in the Report will be solely at your own risk.
